

# CASCADE FIXED & SWING PIVOT PANEL *Bath Shower Screen*

FRONT VIEW

## CASCADE FIXED AND SWING PIVOT PANEL

The Cascade Fixed and Swing Pivot Panel provides a shower enclosure of over one metre long. Installed directly onto a tile bead the chrome plated pivot panel provides a seamless look while providing effortless access to the bath and taps.

The glass swing panel stays aligned with the bath edge and can be rotated up to 270 degrees in or out and fold all the way in for easy access, making it especially easy for bathing children.
