

San Diego Vanity Inset Rectangle Basin

Product Code: **SDBVBW**

The San Diego rectangle inset vanity basin features clean lines with a generous capacity. It is designed to be mounted above the benchtop with the bowl sitting underneath. Combine it with a basin mixer into the taphole. A practical, modern space saving design that incorporates an overflow. The wide rim enables easy installation.

- AS/NZ Standard AS1172.4.2019
- Taphole
- Overflow
