DECINA

discover indulgence

Indulge your senses with the ultimate in quality and design from Australia's largest industry acclaimed bathroom ware manufacturer and supplier.

ABOUT US

Decina Bathroomware is 100-per-cent Australian owned and has been servicing the Australian market since 1989, creating a comprehensive range of baths, spa baths, showers, toilets, basins and accessories for every style and budget.

Decina’s design and manufacturing teams are experts in acrylic bath and spa bath technology with decades of experience. A combination of skill, premium materials, innovative design and rigorous testing, creates bathroom ware that is superior in style, strength and safety.

All Decina’s freestanding spa baths, inset baths and spas are made in Australia. In fact, Decina is the only manufacturer of baths in the country.

Our design and engineering team has manufactured more than two million inset baths in under 35 years.

Decina’s purpose-built manufacturing facility in Brisbane ensures its impressive output increases exponentially, allowing the company to design, develop and be the first Australian manufacturer of free-standing baths.

Decina also offers a range of high quality, functional, super-efficient and stylish toilets and basins, all manufactured from the highest quality vitreous china.

All Decina products are manufactured to stringent Australian Standards, so you can be assured our products are consistently safe and reliable. In addition, they are backed with a competitive warranty for peace of mind.

When you choose Decina, you join leading architects, designers and builders who continue to select Decina as their first choice for prestigious projects across Australia and overseas.

FREESTANDING BATHS

CREATE A STUNNING FOCAL POINT IN YOUR BATHROOM WITH A FREESTANDING BATH.

Manufactured from premium cross linked sanitary grade acrylic, Decina's freestanding baths have steel reinforced frames for strength and safety.

Featuring adjustable self-supporting feet, they are easy to install with no hob, frame or additional tiling required and there are no limitations on placement within the bathroom.

Decina's freestanding bath collection comes in a range of sizes from 1300mm soaker baths for compact bathrooms to a generous 1800mm for larger bathrooms.

A selection of Decina's freestanding baths can be fitted with an optional overflow outlet which takes any excess water back to the waste.

For the full range of Decina freestanding bath accessories see page 30-31.

BATH CADDY
Accessorise your bath with Decina's luxury bath caddy. Made from treated bamboo, it comes with a matching bamboo soap dish and dispenser. **BC001**

INSET & ISLAND BATHS

DECINA'S EXTENSIVE COLLECTION OF AUSTRALIAN MADE* INSET AND ISLAND BATHS ARE AN IDEAL SPACE SAVING SOLUTION, PERFECT FOR BATHROOM RENOVATIONS AND SHOWER BATHS.

Carina Island Bath CA1525W / CA1675W / CA1750W

practical & durable

INSET

Decina's innovative four-sided tile bead, allows an inset bath to be integrated into a tiled wall, to create a flush, watertight finish.

ISLAND

As the name suggests, an island bath can be set away from walls, creating an 'island' style focal point. The tiled edge of the bath hob is functional and can be used for seating or storage.

WHY BUY A DECINA BATH?

- **Steel rod reinforced rims**
 - Prevents 'tile popping'
- **Double reinforced timber and fibreglass base board for added strength**
- **Manufactured from premium cross linked sanitary grade acrylic**
 - No discolouration and won't yellow
 - Resistant to chemical attack and thermal shock
 - Superior gloss finish is guaranteed
- **Thermal shock tested to Australian Standards**
 - Ensures bath won't discolour, deform or crack

Most of Decina's inset baths can be fitted with an optional overflow outlet which takes any excess water back to the waste. *(See page 30).*

Optional 40mm pop-up wastes are available for all inset baths and come in a chrome, gloss white or matte black finish. *(See page 30).*

Almost all Decina inset baths and spa baths can be fitted with one of three exclusive bath and spa bath base support installation systems. Featuring height adjustable, self-supporting feet, these base support solutions protect the bath's warranty and simplify installation by eliminating the need for further base support such as expensive steel framing, wet bed slurry or a mortar bed. *(See page 29).*

For the full range of Decina inset and island bath accessories see pages 29-30

* Excludes pressed metal baths

INSET & ISLAND SPA BATHS

EXPERIENCE LUXURY BATHING AND IMMERSE YOURSELF INTO A WHIRLPOOL OF STYLE AND COMFORT AS YOUR BODY IS MASSAGED BY THOUSANDS OF SOOTHING BUBBLES. OUR POWERFUL SPA BATHS HAVE BEEN DESIGNED TO SOOTH OR INVIGORATE THE BODY. THEY NOT ONLY LOOK GOOD, THEY ARE ERGONOMICALLY COMFORTABLE.

SPA BATH SAFETY

All Decina spa baths are fitted with an anti-suction device which prevents hair entanglement or any body part being entrapped in the suction outlet.

All Decina spa pumps have a **Dry Run Protection** feature which turns the pump off after 20 seconds of operating without water. This prevents pump burn out.

For the full range of Decina inset / island spa bath accessories see pages 29-31.

Decina is synonymous with innovation and this passion has led to the development of three exclusive bath and spa bath base support installation systems.

Featuring height adjustable, self-supporting feet, these base support solutions protect the bath's warranty and simplify installation by eliminating the need for further base support, such as expensive steel framing, wet bed slurry or a mortar bed*. Almost all Decina baths and spa baths can be fitted with at least one of the three base support solutions.

We recommend all baths and spa baths ordered with an overflow should be fitted with a BASE FRAME for elevation.

*If being used as a shower bath installation an additional mortar base support is required between the frame and the floor.

RECTANGLE BATH BASE FRAME

Optional structural bath support frame that is suitable for nearly all Decina bath and spa bath models (over 1400mm in length) and come as standard on ALL Dolce Vita spa baths. This galvanised steel frame is factory fitted and fibreglass bonded to the base of the bath, making it ready for immediate on-site installation.

Height	Product Code
Height adjustable feet add 90-120mm	TAP002

CORNER BATH BASE FRAME

Optional structural bath support frame that is suitable for all Decina corner bath and spa bath models and comes as standard on the Angelique and Positano Dolce Vita spa baths. This galvanised steel frame is factory fitted and fibreglass bonded to the base of the bath, making it ready for immediate on-site installation.

Height	Product Code
Height adjustable feet add 90-120mm	TAP004

EZI FRAME BASE SUPPORT

The EZI Frame is an optional structural bath support frame that is suitable for select Decina rectangle and oval baths and spa baths (between 1500-1800mm in length).

This steel frame is adhered to the base of the bath on site by the installer or builder, or it can be factory fitted. At least 48 hours drying time is required for the adhesive before the bath can be installed and the adjustable, self-leveling feet are simply screwed down to touch the sub floor.

Bath Type	Product Code
SMALL (end waste 1500mm baths)	EZF001
LARGE (end waste 1600/1700/1800mm baths)	EZF002
CENTRE WASTE (small centre waste baths)	EZF003
CENTRE WASTE (large centre waste baths)	EZF004
FITTING OF EZI FRAME ONLY	EZF007

EZI FEET

EZI Feet are an optional support system suitable for select Decina inset baths and spa baths. These adjustable, self-leveling feet offer an easy, on-site installation process. They simply screw into the factory fitted support feet in the base of the bath and then by pulling the string they are wound down to touch the sub floor.

- Adjustable self-levelling feet add 50-120mm
- EZI Feet have a combined load bearing of 500kgs

Size (l x w x h)	Product Code
43 x 43 x 67-135 (pack of 5)	EZF005

FIORE HEADREST

- Pillow headrest with 2 x suction cups
- Polyurethane and foam
- Easy to clean
- Suitable for straight lumbar shaped baths and spa baths
- Available in black
- 1 year warranty (replacement only)

Size (l x w x h)	Product Code

Size (l x w x h)	Product Code
40mm (Chrome)	OWA002
40mm (Matte Black)	OWA003
40mm (Gloss White)	OWA007

POP-UP REMOVABLE BATH WASTE

- For baths / spas with a 40mm outlet
- Solid brass
- Removable easy clean pop-up cartridge
- Extra wide bath rim flange
- WaterMark approved
- 1 year warranty (replacement only)
- Lifetime warranty (cartridge only)

Size (l x w x h)	Product Code
68 x 68 x 38 (Chrome)	WA001
68 x 68 x 38 (Gloss White)	WA002
68 x 68 x 38 (Matte Black)	WA003

FLEXIBLE BATH CONNECTOR AND POP-UP WASTE

- Adjustable flexible connector to max 600mm
- 40mm pop-down removable waste
- Removable cartridge
- Adjustable depth
- WaterMark approved
- 1 year warranty (replacement only)
- Lifetime warranty (cartridge only)

	Product Code
Connector, cap, lining, 40mm chrome pop-up waste	OWA004

FLEXIBLE BATH CONNECTOR ONLY

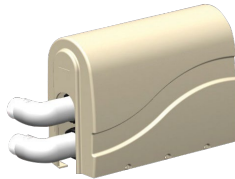

- Adjustable flexible connector to max 600mm
- Adjustable depth
- Premium solution for free standing baths
- Ideal for limited space (77mm height)
- WaterMark approved
- 1 year warranty (replacement only)

	Product Code
Connector, cap, lining only	OWA005

INSTALLATION WARNING FOR FLEXIBLE CONNECTORS:

Please refer to installation instructions and specification dimensions when installing flexible connectors. Floor preparation may be required for off-centre waste positions. Please discuss with your builder/plumber before tiling and waterproofing your bathroom.

TRIFLO SPA PUMP COVER

This outdoor spa pump cover protects the spa bath pump from all weather conditions and can be easily removed if required. The cover also reduces pump noise level.

- Pump cover with wall brackets and mounting base
- Suitable for outdoor use
- For left/right hand mount or TriFlo applications
- Neutral merino colour
- 1 year warranty

	Product Code
Cover & Bracket	EDG119

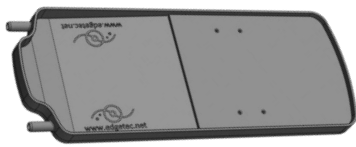

COVER PLATE FOR SPA PIPE

When the spa pump is mounted on the outside wall, often a large unsightly hole is punched through the wall. The cover plate has been designed as a split half cover plate to fit around the pipes and cover the opening hole.

- Suitable for outdoor use
- No drill holes – can be positioned to suit the holes in the wall
- Mounted by liquid nails or masonry anchor
- Can be painted to match the house décor

	Product Code
Pipe cover plate	EDG138

DRAIN TRAY FOR SPA PUMP

For internal installation of the TriFlo spa bath pump, we recommend a drain tray and drain be fitted to collect any small water drips from the mechanical seal that may occur from normal wear over time.

	Product Code
Pump Drain Tray	EDG140

	Product Code
Change Pump Position	RE-PLUMB

SHOWER COLLECTION

DECINA'S SHOWER COLLECTIONS ARE RECOGNISED AS OFFERING THE BEST VALUE AND QUALITY, WITH AN INSTALLATION APPLICATION FOR EVERY BATHROOM.

Manufactured using EZI Clean coated, toughened glass and tested rigorously to meet Australian Standards, Decina's shower screens and panels are the heartbeat of this collection, setting the standard in design and safety, with an exciting range of products to customise your dream shower space.

- Seals and strips are anti-fungal and UV resistant
- Screens feature an easy install gasket wall system
- Wall channels have caps for easy cleaning
- Screen doors feature a dripless strip and magnetic close seals

installation options

SHOWER PANEL

A **FREESTANDING** panel is supported by two braces only so the panel can be placed virtually anywhere in the bathroom. Install on a tiled floor or a shower base.

SHOWER PANEL

A **FIXED** panel sits up against a wall and is supported by a brace, which can be cut down to the desired size. Install on a tiled floor or a shower base.

SHOWER SCREEN

A shower screen can be installed on a tiled floor with tiled walls.

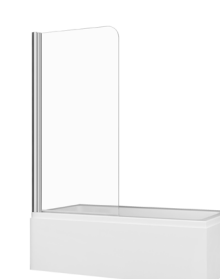

SHOWER SCREEN & BASE

A shower screen can be installed on a shower base with tiled walls.

SHOWER SYSTEM

A complete, three part shower system includes a shower screen, plus its corresponding acrylic shower wall and acrylic shower base.

BATH SHOWER SCREEN

A bath shower screen fits above a bath and features a drip seal to the top of the bath.

EZI CLEAN

Most of Decina's shower screen glass is finished with a protective EZI Clean glass coating to prevent soap scum build up, so you can be assured your shower screen will look its best at all times.

Decina's bath shower screens are a smart solution for smaller bathroom spaces and combine great value and quality with several installation applications to suit your needs.

- Space saving
- 6mm toughened clear glass with EZI Clean coating
- Adjustable wall channels
- Seals and strips are anti-fungal and UV resistant
- Easy install gasket wall system
- Wall channels have caps for easy cleaning
- Drip seal to the top of the bath

CASCADE PIVOT SCREEN

The Cascade's fixed pivot panel swings through 180° and can be fitted onto almost all Decina rectangular baths or spa baths that feature a tile bead.

- Panel pivots 180°
- Left or right hand installation

Size (l x h)	Product Code
790 x 1500	CAPPC

CASCADE FIXED/SWING PIVOT SCREEN

This design provides an over bath shower enclosure of over a metre long and swings through 270° or all the way in, providing effortless access to the bath and taps.

- Panel pivots 270° overall
- More than 1m in length

Size (l x h)	Product Code
1037 x 1500	CAFSC

FITZROY PIVOT SCREEN

The Fitzroy pivot panel has contemporary lines and a matte black finish. This design pivots 180° for easy access and can be fitted onto most Decina inset baths with a tile bead

- Panel pivots 180°
- Adjustable wall channel (+15mm)*

Size (l x h)	Product Code
800 x 1500	FIPPB

SHOWER WALLS

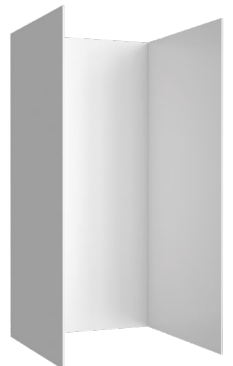

Manufactured in Australia, Decina’s shower walls are ideal for shower areas where easy maintenance is a priority. Decina’s shower walls are made to Australian Standards from 2.2 co-extruded ABS acrylic which reduces mould growth and the maintenance associated with grouting in a tiled shower area.

- Made in Australia
- Easy to install
- Easy to clean and maintain
- Reduces mould
- Long-lasting durability
- Combine with a Luna shower base to create a leak resistant membrane

LUNA SHOWER BASE

The Luna’s slimline design, with three sided tile bead, can be fully integrated into tiled bathroom walls or combined with a shower wall to create a leak resistant, luxury shower enclosure. This deluxe range is made in Australia from premium grade high gloss acrylic and is available in a variety of sizes. The range features an exclusive Decina branded chrome, friction lock removable waste cover.

- Steel rod reinforced base
- Triple reinforced with fibreglass, timber and resin
- Includes chrome, friction lock removable waste cover
- 49mm low entry height
- Self-supporting feet
- No mortar bed required
- Slip resistant
- Easy to clean and maintain

PRELUDE SHOWER BASE

The Prelude shower base range offers premium quality, with a simple design to provide a great value shower base solution. Moulded from one-piece of sanitary grade acrylic so it is slip resistant and prevents any leaks in your shower enclosure. Made to Australian standards it has a strengthened base board with a steel rod reinforced rim and self-supporting feet. Combine with 2 or 3-sided Decina acrylic shower wall, to provide an easy to maintain long lasting shower enclosure.

- Easy to clean
- High slip resistance
- Self-supporting feet – no mortar bed required
- Solid entry height – 80mm
- Steel rod reinforced base
- Warm under foot
- Won’t stain, scratch or fade
- Solid, thicker, more durable acrylic skin
- Made in Australia
- Tiling bead on all 4-sides

TOILET SUITES

DECINA HAS DEVELOPED A LEADING RANGE OF SANITARY WARE THAT IS STYLISH, HIGHLY FUNCTIONAL AND SUPER-EFFICIENT.

Manufactured from the highest quality vitreous china, Decina's toilet suites provide a range of applications to suit every bathroom space and feature a range of advanced hygiene technology.

Tested rigorously to meet Australian Standards in safety, Decina's toilet suite collection offers you the option of a link connector, close coupled or a modern, wall faced toilet suite.

- Chrome dual flush buttons
- 4.5/3L dual flush cistern
- Watermark approval AS1172
- ★★★★★ WELS 4 Star

advanced hygiene technology

Decina's design and manufacturing teams are experts in ceramic sanitary ware technology, with decades of experience perfecting innovations that lead the way within the industry. Experience the difference our advanced hygiene technology makes.

CYCLONE FLUSH™
This dynamic flushing technology, coupled with a rimless toilet bowl design, ensures a hygienic, sparkling white finish after every flush.

NANO GLAZE
This protective barrier technology is applied to the ceramic surface of a selection of Decina's toilet bowls and provides protection against bacteria, oils and dirt, keeping your toilet suite gleaming white every day.

CYCLONIC CLEAN™
Decina's dynamic flush, combined with a rimless toilet bowl design and hygienic Nano Glaze technology, sets the standard in toilet hygiene.

SOFT CLOSE SEAT & LID
All Decina toilets feature a safe, practical and modern soft close seat and lid to eliminate noise.

QUICK RELEASE SEAT
Most Decina toilets feature a quick release seat and lid, which can be fully lifted off the toilet pan for quick, easy cleaning.

EZI HEIGHT
Over-height toilet suites add an additional 45mm to the height of the toilet pan, making it safer and more comfortable, especially for taller users, the elderly and less mobile.

BASIN COLLECTION

DECINA'S BASIN RANGE IS MANUFACTURED FROM SUPERIOR VITREOUS CHINA. EXPERTLY DESIGNED WITH STUNNING FINISHES AND ATTENTION TO DETAIL, THIS EXTENSIVE COLLECTION FEATURES A BASIN TO SUIT EVERY BATHROOM.

installation options

COUNTER TOP BASINS
Designed to sit on top of a vanity or bench top and create a contemporary, luxury design statement.

SEMI-RECESSED BASINS
Designed to sit on top of a vanity, with the basin edge projecting over the front. The perfect solution for smaller bathroom spaces this style of basin is extremely versatile and functional.

SEMI-INSET BASINS
Semi-inset basins have a low profile and are designed to be partially set into the vanity counter top. Maximising on space, this practical style of basin effortlessly blends into the counter top with a clean refined aesthetic.

UNDER COUNTER BASINS
Designed to be installed entirely underneath a vanity counter top. A hole is cut into the counter top to match the internal bowl dimensions, giving a completely seamless, integrated finish.

VANITY INSET BASINS
Designed to be installed into a vanity or counter top with the rim sitting on top. Combine with a basin mixer mounted into the taphole in the top of the basin. The overflow takes any excess water back to the waste.

WALL HUNG BASINS
Designed to be directly mounted to the wall with wall fixing bolts. An optional shroud can be fixed below the wall hung basin.

NOTES

Notes section with horizontal lines for writing.

WARRANTIES, RETURNS & CREDITS

Please note: Installation is acceptance of goods. If product is incorrect or damaged, Decina must be notified in writing before installation takes place. If installed with a fault present, warranty is limited to replacement only no labour.

Decina offers a comprehensive extended warranty on all products. Decina’s warranty applies only to defects which have arisen through faulty workmanship or materials.

- Proof of purchase is necessary to claim
- The warranty only applies to the original owner and is not transferable
- Decina will not be liable if products have been altered or modified by external parties
- Decina will not be liable if products are not installed in accordance with Decina’s installation instructions
- Decina will not be liable if products are not installed by a qualified trades person
- Decina will not be liable if products are damaged through misuse, accidents, neglect or harsh environmental conditions
- The warranty excludes damages discovered after installation
- All goods should be checked for faults or damage within 48 hours of being received. Claims must be lodged with photographic evidence, within 48 hours of receipts of goods.

Decina’s warranty liability covers replacement product or credit to equal value of the purchase and **EXCLUDES** any consequential damage occurring from the products application or use. It is the installer’s responsibility to remove and replace the product; a contribution may be given of up to \$500 including GST upon receiving a detailed quotation.

Exclusions include to the fullest extent permitted by law. Decina excludes all liability for damage or injury to any person, damage to any property, any indirect consequential or other loss or damage.

WARRANTY CLAIMS

To lodge a warranty claim, please complete the Warranty Claim Form found at decina.com.au/warranty-claim or send an email with all documentation required to services@decina.com.au including:

- Proof of purchase from retailer
- Details of the warranty claim including date of installation, installer details, and description of product fault
- Your contact details including address where product is currently located or installed, email address, mobile and home phone numbers
- Photographic evidence of product fault (include close up and an overall image to ascertain product fault) – one image will not warrant claim

For all service and warranty related enquiries please call 1300 332 462.

WHAT DECINA WILL DO TO FIX THE PROBLEM:

You will be contacted within 5 working days or earlier depending on the problem with the product, Decina will do one of the following:

- Arrange for the product to be inspected by a Decina representative to verify the fault. Please note a call out fee of \$120 including GST may be charged if not deemed a product fault
- Arrange replacement parts of the faulty product
- Arrange replacement of faulty product
- Arrange for a licensed service technician to repair or replace the product
- Arrange a refund with the store that you purchased the product from. Only in the case of major failure within the warranty period and in order to receive such refund the product must be returned to place of purchase or Decina’s warehouse.

RETURNS & CREDITS

All goods should be checked for faults or damage within 48 hours of

being received. Returned goods will only be accepted within 90 days from date of purchase.

All breakages and or damage to products will not be recognised if deliveries are made by a third party. Claims will not be accepted if goods have been delivered between retailer and the customer.

It is the responsibility of the retailer to check for quality, damage or breakages prior to delivery to customer.

Return of goods due to incorrect or cancelled orders will incur a minimum 20% restocking and handling fee with special orders non-returnable. Prior to acceptance of any goods for credit, confirmation must be received in writing with photographic evidence that shows the product is in original packaging and in resalable condition. All products returned for credit must be returned at the customer’s own risk and expense. In the event that the original packaging is damaged and the product is rendered unresalable due to this, we reserve the right to decline the return.

To return a product/credit claim, please fill out the on-line form at decina.com.au/credit-claims or email the customer service team on services@decina.com.au

WARRANTY CONDITIONS

Decina offers a comprehensive extended warranty on all products (page 63). Decina warranty applies only for defects which have arisen through faulty workmanship or materials and does not apply to products which have been altered or modified by external parties, are not installed in accordance with installation instructions by a qualified tradesman or damage which occurs through misuse, accidents, neglect or harsh environmental conditions. The warranty **EXCLUDES** damages discovered **AFTER** installation. When goods are received they should be checked for damage or faults and any claims lodged with photographic evidence, within 48 hours.

Decina’s warranty liability covers replacement product or credit to equal value of the purchase and **EXCLUDES** any consequential damage occurring from the products application or use. It is the installer’s responsibility to remove and replace the product; a contribution may be given of up to \$500.

SERVICE/WARRANTY CLAIMS

To log a warranty claim, please complete the Warranty Claim Form found at decina.com.au/warranty-claim/ or email services@decina.com.au

Please ensure you attach the following documents:

- Proof of purchase (original supplier invoice)
- Details of the warranty claim (include date of installation, installer details, head contractors details and date the issue was found)
- Your contact details

For all service and warranty related enquiries please call 1300 332 462.

MINIMUM ORDER VALUE

The minimum order value is \$350. Orders under \$350 will incur a freight charge of \$45.

ORDERING SPA BATHS

All spa baths are made to order on receipt of a spa order form. Please download your spa bath order form from decina.com.au.

Select your desired Spa Bath Model > Print the 'Information Sheet' > Fill out the Spa Order Form on the reverse (we recommend filling the form out with your customer and qualified spa bath installer). To ensure all details have been interpreted correctly we advise the customer signs the order form.

Please email the completed Spa Bath Order Form to your Decina Customer Service Advisor/your state office (contact details overleaf). Please allow 20 working days for completion and dispatch of your spa bath.

WARRANTY PERIODS

Decina offers the following comprehensive warranties from the [date of purchase](#) on all relevant products materials and manufacturing. Decina pride ourselves on supplying products of a high standard. The following extended warranties include domestic use installations only. Commercial use installations have a one year warranty. Warranty terms and conditions apply, for full details visit decina.com.au

THANK YOU FOR CHOOSING DECINA.

The benefits of supporting local manufacturing are numerous. When you buy an Australian-made Decina product, you are purchasing something that has been made to a high standard and is built to last. You're also reducing your carbon footprint and supporting environmentally responsible practices.

Supporting local businesses means you are helping to ensure Australians maintain job security and provide for their loved ones. Thank you for considering buying Australian-made products and supporting Aussie families.
